

Digital Marketing

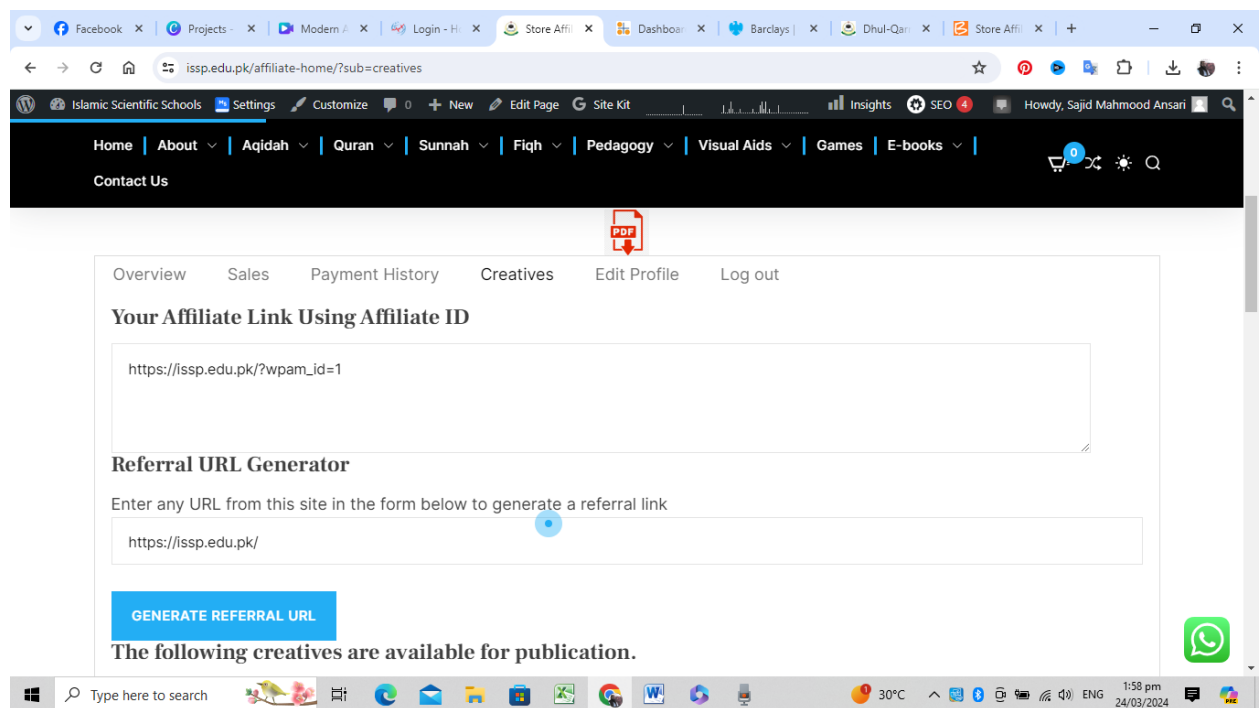

Share the links of our blog posts and earn ONE USD for every 1000 visitors through your referral links.

It is really easy. Social media masters are earning thousands of dollars monthly through this marketing.

Follow these instructions to generate Referral Links for digital marketing:

1. Log in to your Affiliate account by clicking on <https://issp.edu.pk/affiliate-home>
If you have not registered please register first.
2. Go to Creatives manue in your affiliate control panel.
3. Copy the URL address of any post from <https://issp.edu.pk/>
4. Paste this URL in Creative manue to generate affiliate link.
5. Press GENERATE REFERRAL URL button.
6. Copy the generated Referral Link and share on social media platforms.
